An Elegant Residence

What Is Scrofula?

How May It Be Cured?—Both Questions Briefly Answered.

Remarkable Cures Accomplished by Hood's Sarsaparilla.

Scrofula is that tendency in the blood which, on the slightest provocation, or even without any apparent cause, manifests itself in running sores, or scrofulous humors, or in boils, pimples, blotches, or eruptions, or in that wasting away of the body, with enlarged glands in the neck, commonly called consumption, which annually destroys its victims.

How Can It Be Cured?

By taking Hood's Sarsaparilla, which, by the wonderful cures it has accomplished, has proven itself a potent and peculiar medicine for this disease. Much of Hood's great success in curing scrofula, if not more than that attained in all other blood diseases, is due to the fact that Hood's Sarsaparilla is a full and complete blood purifier, containing the full medicinal properties of the best alterative remedies known to the world. Other medicines may contain some of the ingredients of Hood's Sarsaparilla, but no other medicine contains all the curative elements of this peculiar medicine.

A Complete Victory.

"My daughter Mary was afflicted with severe sores and scrofula on her hands and face. Various remedies failed to cure, causing great annoyance and loss of time, while growing to the size of a dime. Hood's Sarsaparilla, the medicine which has done her so much good, was recommended to me, and a few bottles entirely cured her."—C. A. Lawton, Chicago, Ill.

More Than Three Years.

"My daughter was troubled with scrofula for more than three years. We began using Hood's Sarsaparilla a short time since, when she had taken only a few doses, after she had taken three bottles of Sarsaparilla and Pills, as a result there was nothing to be seen, no again gave the medicine a fair trial, and after she had taken one bottle of Hood's Sarsaparilla, all indications of scrofula and scrofula disappeared, and now she seems to be a healthy child. We think very highly of Hood's Sarsaparilla for the reasons we have given."—C. A. Lawton, Chicago, Ill.

"I gladly use Hood's Sarsaparilla for anything that is needed. When I began using it I was confined to the bed nearly all the time. Have taken but one bottle of Hood's Sarsaparilla, and am able to be up and around the house. I have taken two bottles of Hood's Sarsaparilla, and am able to do my own work. Hood's Sarsaparilla is all it is recommended to be."—Mrs. Amanda Harris, Chandler, Okla.

Every Spark Extinguished.

"Hood's Sarsaparilla has done for me all that is claimed for it. I was afflicted with scrofula, and was advised to take Hood's Sarsaparilla. I did so, and every spark of scrofula disappeared, and my health is now excellent."—Mrs. Joseph Hayes, Chandler, Okla.

From 100 to 150.

"I was induced to take Hood's Sarsaparilla for blood poison, and after taking one bottle I felt much better. I have taken in all six bottles, and consider myself entirely cured. My weight has increased from 100 to 150 lbs. Hood's Sarsaparilla is all it is recommended to be."—Miss Jennie Smith, Chandler, Okla.

Pleased by Prices Too.

"I was pleased with Hood's Sarsaparilla from the first dose I took of it. I was troubled with a humor in my blood, and was confined to my house. Hood's Sarsaparilla cured me, and I have not been troubled with the humor since. I was also pleased with the prices of Hood's Sarsaparilla, as I could buy more for my money than of any other medicine."—C. A. Hood, Lowell, Mass.

The Worst Type of Scrofula.

"We are the proprietors of an extensive drug store, and have a large trade in Hood's Sarsaparilla. Taking it as a record, we have sold more of Hood's Sarsaparilla than of any other blood purifier. We have also sold it for the worst type of scrofula, and it has effected wonderful cures. It is the best medicine we can sell."—Hood & Bro., Druggists, Chambersburg, Pa.

Suffered in the Head.

"Hood's Sarsaparilla saved my little girl. She had suffered from boils on the head, and was badly run down. She took only two bottles of Hood's Sarsaparilla, and is entirely well. She has not had a boil since."—Mrs. Mary A. Cook, Lowell, Mass.

Are We Not Warranted

in urging the use of Hood's Sarsaparilla when, day after day, it effects such cures as the above? Letters to this effect from Hood's Sarsaparilla are constantly received. Why suffer from scrofula, boils, pimples, or any other disease caused by impure blood, when Hood's Sarsaparilla will cure you?

A Merciless Disaster. The Artistic Salesrooms of

THE BELL

Now a sham, a wreck complete, utterly demolished by the terrific explosion of gas Thursday last. The loss on building, fixtures, etc., frightful to contemplate, but insignificant in comparison to a necessity that compels us to arrange for repairs. We are heavily overloaded with merchandise. Our basement salesroom, where the explosion occurred, is in utter ruin and completely filled with debris, which has necessitated the removal of the entire stock to our main floor, and is now heaped up in a shapeless confusion of piles, which would ordinarily fill a room five times its size. This monster stock must be unloaded. We are cramped to death. We must make room for carpenters, plasterers, painters, etc. To do it we have mowed down the prices of Clothing, Hats, and Furnishing Goods to less than manufacturers' cost.

WE WILL OPEN

Have You Seen This Wonderful Suburb?

Verdict of a Few Purchasers.

"I am delighted with every feature of the place."
GEORGE L. PULLMAN, President of the Chicago Connecting Co., Pullman Building.

"I am very much pleased with our Edgewater Purchase and with the future prospects of our beautiful suburb. Its location points strongly in favor of the permanent seats for railroad terminals that Edgewater would surely become the social suburb of the West."
C. L. KIMBALL, Commercial Agent (Chicago, Milwaukee & St. Paul Railroad).

"I am delighted with our purchase at Edgewater, and I cannot speak too highly of the Edison incandescent light in our residence, especially as I formerly lived in Chicago, where the disagreeable quality of the gas is poor and the price high. The Mazda Lights are known to brilliant, yet soft and pleasant to the eyes, and free from heat, smoke, or dust. I think you have solved the most perfect artificial light known."
JOSEPH McCULLOUGH, Business Manager "The John W. Iliff Star Book," 90 La Salle-st.

A few houses will be sold at cost, and the ground at a price that makes it the cheapest choice residence property in Cook County.

Lots are sold to purchasers agreeing to build houses which will compare favorably in price and character with those already completed.

AN AGENT CAN BE FOUND AT THE STATION AT ALL TIMES TO SHOW THE HOUSES. Call at our office and it will be pleased to take you to Edgewater.

Full particulars given and plans of Grounds shown on application to the proprietors,

REMOVAL ANNOUNCEMENT!

The undersigned takes this means of informing his many friends and patrons that after May 1st I will be located in my New and Elegant Establishment, 131 Dearborn-st., Hanora Building (Main Floor).

H. G. PURINTON, Merchant Tailor.

STRANGE

As it may seem to our competitors, we find that our success in the past and our present brisk trade is due to two very simple

THINGS

First, honestly made goods in every department, and prices one low to be duplicated elsewhere. These

ARE

The two principles on which we have built up our immense trade. Any one

HAPPENING

To drop in at 302 West Madison street will find that the most complete stock in the line of Household Goods of every description, the very lowest consistent with "wearable" qualities are always to be found at

Novelties in Millinery.

BY TELEGRAPH.

NEW YORK, April 28, 1899.

THE WHITE HOUSE, CHICAGO.

We have today completed the last purchase for our Grand Spring Opening. The numberless novelties in Ladies' and Children's wear that are now on the way will simply delight and astonish our customers. The colors, designs, and materials are beyond description, and when displayed on the counters of the White House they cannot fail to make a most decided sensation throughout the entire city. Delay the opening a few days longer on this account. F. R. LAWLOR.

The above telegram was received from Mr. Lawlor late last evening, and in accordance with his instructions we announce that this is positively the last week of our great dissolution sale preparatory to our

GRAND SPRING OPENING!

The date of which will be duly announced. The incredible bargains offered in all of our departments should be availed of at once, as such unheard prices are rarely, if ever, met with.

We especially call attention to the following departments, in which we offer goods at prices never before known in the West.

Cloaks and Suits, Silks and Dress Goods, Linens and Domestics, Laces, Hosiery, and Gloves.

THE HUB

Desires to say that on entering upon its second year it proposes to continue to adopt the same methods that made us known as well in one year as has taken many similar establishments whole decades.

DOES IT PAY TO ADVERTISE?

Is a question often asked of us, and judging from the results of our first year's business in this city we say it does pay to advertise, when our representations are found to be correct, and when the Public find that what we do advertise we always have in abundance to supply our patrons with.

We call attention to the following unparalleled bargains that are making our trade this spring double what we looked for:

Our Furnishing Dept.

100 dozen imported Nottingham Lace Curtains, medium weight, full regular made (no seams); will all sell same for 50c, but, to keep up the rush at our Furnishing Goods Counters, will sell at

11c
PER PAIR.

Our Hat Department.

This week we shall offer 200 dozen of our superior Sennett Hats, exquisite (not acid straw), a bargain at $4.00, for only

$2.90.

A superior line of

CHILDREN'S HATS,

in Cloth, Plush, Felt, and Fancy Combinations, to all the leading shapes, and embracing the newest styles of Tan, Slate, Olive, and Cobalt Blue.

Prices $1.75 down to $1.00.

Catalogues, samples, and self-measurement blanks furnished on application.

THE HUB,

State and Jackson-sts.

Boys' Department.

LOT 1

In the celebrated Amskeg Boys' all-wool blue indigo dye Knee Pants suits ages 3 to 15, at the very low price of

$3.90.

Guarantee these goods to be fast color, and will send them to any part of the United States or Canada C. O. D., with the privilege of returning them if the same class of goods can be bought for less than $5.00 to $6.00, and yet we only ask $3.90 for them, at which price we claim they are one of the greatest bargains ever shown in a Boy's Suit.

LOT 2

In Boys' Amskeg all-wool blue Long Pants, full suits for the large boys, ages 13 to 18, guaranteed all wool and pure indigo dye, which we offer at the very low price of only

$5.00.

Yes, just $2.00 for Coat, Vest, and Pants for large boys—an all-wool blue suit—and we know of others who ask $7.50 for exactly similar goods; but THE HUB, to show how much advantage it is to trade with a progressive house, sells only $5.00 for them. Don't you better call and see them

THE HUB,

State and Jackson-sts.

LOT 3

Men's Department.

In the celebrated Blue Protection Flannel Suits, which, without exception of all wool, we guarantee indigo fast color—the price of which is usually $15, but The Hub offer them in Cutaway, with or without G. A. R. Buttons, for only

$7.50.

LOT 4

In the celebrated Blue Flannel Suits. These goods are STRICTLY ALL WOOL, and warranted indigo fast color, and are an excellent value at $12 or $13. We have LOTS of these suits ready, which we will offer at the low price of [illegible] Suits, all sizes from 33 to 44, pure wool and indigo-dye Suits, for

$9.00,

With or without G. A. R. Buttons.

We have received during the last week over 200 of the handsomest stories in Scotch and Cheviot Suits, in Sacks and Frocks, that are positively good value at $20 to $25. We have bought them under the regular market value and offer them at $15.00, $16.50, and

$15.00.

We call special notice to our entire line of Superior Value-Made Suits, equal to the best Merchant Tailor productions, which we offer at

$18 TO $30.
